Cindy,

As we discussed last week, attached is the draft final report for your review and approval. Steve Musson has already reviewed the report and I addressed his comments. Note that Brian K. still owes me the NRMRL IO FTE number for Table 1. Also, the appendix is just cut and pasted from the GWERD report as information to support Table 3a.

I have talked to Lora Johnson and told her we would be a few days late so if I can deliver next week, I think that would be fine. The important thing is that we find time to talk before I send it out of NRMRL.

Call if you have questions. I will bring a hard copy shortly.

Lauren
